HOW THE AUCTION WORKS

1. When you arrive, you will get a **BIDDER NUMBER CARD** at the check-in table. This is your number of record for both Live and Silent Auctions.
2. During the **SILENT AUCTION**, there will be bidding sheets by each item. Remember that the first bidder at any price wins the item. For example, if there is only one item and you are the second person to bid at the highest price, you will not win. It will be won by the first person to bid at that price. In order to win in this situation, you must bid at next the highest price on the bidding sheet.
3. **BIDDING SHEET** increments are determined by the software and any handwritten bidding continuation, must proceed in those same increments. Therefore, if the increment is \$2, you may not win the bid with an increase over the last bidder that is less than \$2.
4. Some bid sheets in the Silent Auction are **SIGN UP SHEETS**. For these bid sheets bidders just sign up, with their bid number at the listed price until all of the slots are filled.
5. If there are **MULTIPLE ITEMS AVAILABLE** for a silent auction item, like places at a luncheon, then the highest bidders will win, even if they are not all at the same price. This will also be true in the Live Auction where the auctioneer will reopen the bidding at the point when bidders dropped out in the previous round. Thus, also in the Live Auction, bidders may win the same item at different prices.
6. The **GUARANTEED PRICE** (normally two to three times the item's value) is listed on the Silent Auction Bid Sheets and guarantees the bidder wins the item at that price. This also applies to items when more than one is offered. The first bidders to bid at the Guaranteed Price will win the items.
7. During the **LIVE AUCTION**, hold up your bidder card if you are bidding. Be sure the Auctioneer can see your number. We will also have numbered pie plates on the table to help you indicate how many places you want, for example at a dinner, if you want more than one.
8. The **AUCTIONEER** in the Live Auction will announce the winner(s) at the close of bidding on each item. Spotters will be on hand to help the Auctioneer keep track of bidding, however, the Auctioneer is responsible for final determination.
9. Prices for **MINIMUM BIDS (MB)** are shown in this catalog. We do not accept bids below the minimum unless the donor so directs.
10. Invoices may be paid at the Checkout Table in the Foyer after the auction, or on Sunday, Oct 21st. The church prefers bidders to pay by check or cash, but you may also pay by credit card.

ABSENTEE BIDDING

1. If you are unable to attend the Auction, you will miss a lot of fun, yet you can still bid. One of our capable Proxy Bidders will represent you and bid as you instruct. **WARNING:** Some Auction items will sell way over the minimum bid (MB). To assure you get the item you want, bid the “Buy-It-Now” price.
2. Fill out the Absentee Bid Form included with this catalog, indicating the item’s catalog number (e.g. 119), the maximum you wish to bid for this item, and your name, address, phone number, and e-mail. If the item is offered per person (e.g., a meal) indicate how many places you want.
3. Turn in your Absentee Bid Form to the UUCMP Office or the Auction Table in the Welcome Hall-- or e-mail to lauraonagel@gmail.com -- by Wednesday, October 17, 2018.

ABSENTEE BID FORM

If you cannot attend our UUCMP Service Auction personally, you may enter a confidential ABSENTEE BID on any item, and our special Proxy Bidders will bid for you. They will bid only as high as necessary to win the item, but not higher than the maximum you designate.

Absentee bids may be submitted to the church (by mail, e-mail to lauraonagel@gmail.com or personally up through Wednesday, October 17.

NOTE: Items often sell much higher than the minimum bid or estimated value. Bid high if you really want to win, or bid the guaranteed price which assures you will get the item.

Can't make it to our Oct. 20 Auction?
You still can bid on —and WIN—some
of our Fabulous Auction Items!

Absentee Bidding

If you are unable to attend our GAVEL Auction, you will miss a lot of fun—but you still can bid. One of our capable Proxy Bidders will represent you during the Auction and do your bidding.

Just fill out the Absentee Bid Slips on the other side (one section per item), indicating:

1. Your name, address, phone number, and e-mail.
2. The Item Number and brief description of each item you wish to bid on (for example, 100, San Jose Adventure).
3. The maximum amount you are willing to bid for the item,
4. If the bid is per person or per item, indicate how many places or items you want. Turn the forms in to the Church Office by Wednesday, October 17, 2018.

Warning: Items often are bid up way over Minimum Bid (MB). Bid the Buy-It-Now price if you really want to be a winner. Our Proxy Bidder won't bid any higher than necessary, and not beyond the maximum you set.

103 3D Printing Lesson and 3D Print of Your Choosing Qty: 3

3D Printing Lesson and 3D Print of Your Choosing
Ever wondered how 3D printing works? You can literally download a design off the internet (check out thingiverse.com) and turn it into a physical object. Fred Hamilton will teach you (and a few others if you want to bring friends/kids) the basics and help you print any (reasonably-sized) object or doohickey. Lesson will take 1-2 hours, print could take 1-24 hours, so delivery will probably be post-lesson.
