

## Directions to Santa Lucia Campground in Big Sur:

- \* The campground is located 27.8 miles south of the intersection of Hwy 1 and Rio Rd.
- \* At 27.6 miles you'll drive past the "River Inn" complex of buildings (stay on Hwy 1)
- \* On the right **.2 (two tenths) of a mile past the River Inn** you'll see two small signs, "Big Sur Health Center" and "Santa Lucia Chapel", plus the larger overhead sign "Big Sur Campground and Cabins".
- \* As you turn in here (at these three signs) make an immediate hard right "U" turn.
- \* You'll now be on a small paved road that is traveling the opposite direction (parallel to Hwy 1). A few yards down this road (which soon turns into dirt) you'll pass the brown "Health Center" building on your left.
- \* Immediately after the dirt parking spaces on the left comes a dirt road with a sign that reads "Santa Lucia Chapel and Camp" "By Reservation Only" Turn left.
- \* **Stop at the gate.** Madison the campground host will come greet you. Here you will take a few minutes to read about their campground rules and sign a "release form". It's their policy that every adult 18 and older sign these forms.
- \* Follow this dirt road down, bearing to the left as you drive down the slope.
- \* On the right through the trees you will see the campground group picnic tables, a large stainless sink, a small fire ring with benches, etc. You have arrived!
- \* You can drive or walk through the campground to find where you'd like to put-up your tent (there are no marked sites in this campground). The designated area for all tents is downstream from the fire ring. Unload your things at your tent site and get set up. Then set up a place at one of the picnic tables. All cooking is done at the group picnic tables area.
- \* **After unloading, ALL cars must be parked on the far side of the group picnic tables.** There are plenty of parking spaces. Day visitors park in this area also.
- \* **Please consider carpooling.** (If you are arriving at night time please bring a flashlight to help you see the signs and road)
