2024 Service Auction Guide

<p>Overview</p>	<p>As UUCMP has successfully done for the past three years, we are once again using a web-based auction service to manage this year’s event, <i>FABULOUS FICTION</i>. Auction proceeds will support UUCMP’s operations during the church year.</p> <p>Items for auction bidding are donated by UUCMP Members and Friends. Categories are Food, Get-Together, Goods, and Services. This is a great chance to apply your experience and imagination to benefit our church community. Please see the “Donors” section below.</p> <p>The auction catalog will be online at the church’s <i>FABULOUS FICTION</i> auction web site, hosted by Auctria: https://auctria.events/UUCMP2024. All Silent Auction bidding will be conducted online via Auctria; Live Auction bidding will be both in-person in the church sanctuary, and online via Zoom. Anyone who registers as a Bidder may bid on items in the Service Auction.</p> <p>Donors and Bidders are encouraged to register online through the Auctria site, where Donors can post their own Item(s) for the catalog. <i>Anyone who has an Auctria login from a previous year does not need register again</i>, but please confirm contact information is current (especially the email address). Optionally, paper forms for Item donations and Bidder registration are available in the church Welcome Hall and church office, or as .pdf file downloads from the UUCMP auction information website, https://uucmp.org/service-auction-2024.</p> <p>If you would like personal assistance registering, donating, or bidding in the online auction, please contact one of the Auction team listed in the “Questions?” section below. The Auctria Sign In pop-up also has a “Stuck?” link you can click; Auctria will email a one-time access code.</p>

<p>Donors</p> <p>NOTE: AS OF SUN 09/29, DONATIONS ARE COMPLETE</p>	<p>Donors may directly enter descriptions of their Items by clicking on the <i>Donate Goods and Services</i> link on the auction website, https://auctria.events/UUCMP2024. (The separate <i>Donate Cash</i> link is for direct monetary donations.) Item titles should be enticing (e.g., “Gloria’s Yummy Vegan Brownies”), and descriptions concise. Please upload a photo, if you have one; if not, the auction team will upload a generic image to represent your Item.</p> <p>A Get-Together Item (event, meal, songfest, etc.) should specify a date, time, and location. Outdoor events benefit from having an alternative “rain date” identified.</p> <p>Please provide a reasonable market value for your item. This determines the starting point for bidding, and will help both you and the winning bidder to determine income tax deductibility.</p> <p>A separate document, “How to Donate Auction Items,” elaborates on these steps.</p>												

<p>Bidders</p>	<p>Bidders may directly register at the web site, https://auctria.events/UUCMP2024, by clicking on the <i>Register</i> link. You will need to provide a valid email address for both your login ID and to receive auction information (e.g., bid status, statements). You will need to create a password for subsequent secure logins to your account. For participating without a computer, please submit a Bidder Registration Form, on the last page of this document (with instructions).</p> <p>During online bidding, your identity will be kept confidential – only you will know the status of your own bids. Bids may be submitted either through your login at the Auctria web site, or by using the Auctria app on an Android or iOS (Apple) device (search for “Auctria” in your respective app store to download the free app).</p> <p>Auctria allows, but does not require, your registration of a credit card within the system. With a registered credit card, you will be able to immediately pay for winning-bid Items by clicking the <i>Checkout</i> button at the bottom of your emailed statement. (You must click <i>Checkout</i> – Auctria will not process a charge against your credit card without your authorization.) See the “Payment” section below for other ways to pay for your winning bid.</p> <p>If you will be unavailable to participate during the auction period, but would nevertheless like to bid on Items in the Catalog, we can set up Proxy bidding instructions. Please submit a Request for Proxy Bidding form, copies of which are included in this document. Details are on the form.</p>						
<p>Live Auction</p>	<p>Certain Items have been selected for bidding during the Live Auction in the UUCMP sanctuary on October 26. These are included in the Catalog, but are not available for Silent Auction bidding. Zoom attendees will be able to place bids through Zoom chat, monitored by in-person proxy bidders at the church.</p> <p>In addition to the bidding, we will have literature-themed games for group participation. Start thinking about your favorite fictional character; a costume (optional!) makes it more fun. Light refreshments will be provided, but feel free to bring your own. Children will be entertained under adult supervision, separate from the sanctuary.</p>						
<p>Payment</p>	<p>Auctria allows Bidders to register credit cards within the system to directly pay for their winning bids through their emailed Bidder statement, by clicking the “Checkout” button. UUCMP allows other forms of payment, as well: cash (in a sealed envelope, delivered to the church office), personal check, bank direct payment (bank-issued check), PayPal, or a credit card you registered in the Breeze data system. See the church website, uucmp.org, <i>Donate</i> link, to use PayPal.</p> <p><i>For any payment method outside of the Auctria system, please include a memo or note with “Auction 2024, Item # nnn” citing the Catalog number(s) of the Item(s) covered by the payment.</i></p>						
<p>Delivery</p>	<p>Pickup or delivery of Food and Goods, and scheduling of Get-Togethers and Services, are to be coordinated directly between the Donor and the winning Bidder(s). Contact information for each is provided on both Donor and Bidder statements. If the Donor and Bidder(s) encounter impassable transport difficulties, please contact the Auction team (next section) for assistance.</p>

199 ** HOW TO BID ON MORE THAN ONE "SEAT" in a group Item **

Get-Together items, and some Service items, offer multiple "seats" or slots for the occasion. IF YOU WOULD LIKE TO BID ON MORE THAN ONE SEAT OR SLOT for a particular item (for example, for two places at the dinner table), then please follow this procedure.

After you place a bid for one seat, when you click "Bid" again it gives you the choice of updating your existing bid (for example, to increase the amount of the bid) or to bid for an additional item. Click in the little "Please select" box, and choose "Place a new bid". You can do this for as many of the offered seats as are available.

ONE SEAT (slot) MEANS ONE PERSON - if you have a family or group desiring to attend, you need to bid on one seat for each person.

Note that a higher bid which arrives later from someone else may displace one of the bids you made, but not the other(s) – the multiple bids you place are not identified within the system as being linked together. In the two-for-dinner example, you will need to increase your bid on both seats to surpass a bid from someone else that "bumped" one of yours.

Please email ServiceAuction@uucmp.org if you still have questions or need to adjust a bid.

The 1977 Star Wars Cinemagraphic Time Machine

Donated by Fred and Katie Hamilton

6 available.

A long time ago in a movie theater far, far away...

Unless you're still watching Star Wars on a VHS or Betamax tape released prior to 1982, you haven't seen the original Star Wars in a long time...a long time (if ever). Since 1982, George Lucas has been meddling with - I mean making "improvements" to - the original film. Improvements that...are not really improvements. From replacing the original groundbreaking and Academy Award-winning practical special effects with soulless (and now dated) CGI, to sanitizing the personality of a main character, and many things in-between. Over the decades, George Lucas has repeatedly declared that he has no intention of ever making the original available again.

Frustrated by Mr. Lucas's turn to the dark side, several talented "true" fans have taken matters into their own hands and put thousands of hours into restoring the film from many sources, including a 35mm print of the original film. The result is a 4k High Definition release that I cannot wait to share with the winners of this auction item in our home theater (77-inch OLED HDTV).

In addition to the feature presentation, the afternoon or evening (TBD when attendees are known) will feature:

- A variety of sweet and savory Star Wars themed snacks and beverages
- A short "Fred Talk™" about the history of the movie and its revisions, and the efforts to restore it, with optional Q&A
